Dear Sir

Re: Woking 2027DPD Consultation.

As of this month I and my family have lived in Mayford for 45 years.

My comments to the subject documents are as follows:-

Site: GB7 (Ten Acre Farm):-

I completely object to your proposal to increase the number of Traveller Pitches on this land. We are already overloaded with Traveller Pitches in and around Mayford.

Site: GB8 (Nursery Land at Egley Road):-

I strongly object to the proposal for additional housing in this Green Belt land.

Site: GB9 (Woking Garden Centre)

Site: GB10 (Land at Saunders Lane)

Site: GB11 (Land at Saunders Lane)

My remarks for GB9, GB10 and GB11 are the same as for GB8.

Mayford must not become a suburb of Woking and must not coalesce with Guildford in any way. Such an event would be a catastrophe and would completely subvert the purpose of the Green Belt.

Mayford is a little jewel in the Borough of Woking and it should remain as such.

There are no pavements in Prey Heath Road and any increase in pedestrian traffic could prove fatal.

Please reconsider your plans and take the response of Mayford Village Society into account regarding your existing plans.

Yours faithfully,

Edmund John McDonald
