Dear Jeni

I strongly object to the proposal of Woking Borough Council to build 423 houses on either side of Upshott Lane.

I, along with the vast majority of people in Pyrford, agree completely with the points raised by Pyrford Neighbourhood Forum.

As my views are expressed fully through the Pyrford Neighbourhood Forum you can take it that I agree with the points they have raised in the past and the points they will raise in response to your objections.

Yours sincerely
Mrs Jane McKay
