Objecting
I have owned the lease for the above property for 17 years.
I have spent a fortune of my back garden that I use every year, along with the rental of a garage for the past 5 years.
Anyone in their right mind who was in my position would object to these proposals. You want me to give up my garden and garage to make way for affordable housing????? Hello! What about the hardworking people who live here and maintain their properties.
I notice a lot of the residents have to give up 50% of their gardens, but you expect the residents of Willow Way to give up theirs completely.
This proposal is quite simply robbing Peter to pay Paul and is an utter disgrace. Apart from the fact you then want us to live on the edge of building site. I strongly object. I will petition against this and will be corresponding with the local councillor.
Leave the gardens alone for Willow Way. Leave some

Proposed modifications - Please explain what changes

you consider should be made (for example, to the text, to garage provision, the estate is not build for the amount of cars and many of us rent these garages at the back of Willow way.)
