UPSHOTT LANE PYRFORD PROPOSED DEVELOPMENT

I would like to formally lodge a formal protest regarding the proposed development in Upshott Lane Pyrford

I am in favour of building on brown field sites but not on green belt sites. Also the infrastructure of Pyrford schools, roads transport etc. will not be able to handle the additional population created by the proposed new housing development. I am resident in Pyrford and wish my protest to be registered and acknowledged

Mr Dave Morrell
