Dear Sirs

I am writing to object to the proposed development of 423 houses on Green Belt land on either side of Upshot Lane, Pyrford in the 2027 - 2040 timeframe.

Declassifying green belt land for development will set a dangerous precedent opening the flood gates to further requests. I urge the council to consider the develop brownfield sites in other parts of the borough to meet requests for provision of new housing in the borough.

The infrastructure in Pyrford and surrounding roads are already congested and the proposed development will add further pressure to already stretched resources.

Yours sincerely
