Dear Sirs,

Regarding: Woking 2027 DPD Consultation

I have been a resident of Woking for twenty years and have been made aware of the Woking 2027 planning proposals. I strongly object to the following:

Site Reference: GB7 (Ten Acre Farm, Smarts Heath Road)

I object to the proposal to increase the number of Traveller Pitches on this land because this area already provides a large number of sites for Travellers. I do not believe that more are necessary or appropriate.

Site References: GB10 (Land to the north east of Saunders Lane, between Saunders Lane and Hook Hill Lane), GB11 (Land to the north west of Saunders Lane) and GB14 (Land adjacent to Hook Hill Lane, Hook Heath).

I object to building on these three sites because it would be a further diminution of the green belt and open land between Woking and Guildford.

The response of the Mayford Village Society to Woking 2027 DPD Consultation also represents my views.

Yours faithfully,

Mary Penn
