Pyrford

I would like to take this as a opportunity to register my objections to Woking Borough Councils plans and proposals on using our precious green belt land for housing development.

The two fields that have been picked out form a large part of Pyrford's green belt and where they are situated at the end of Upshot lane is a gateway to our lovely Village, having another 400+ houses built on this land would without any doubt take away the name Village, we do not have the schooling in hand, the doctors surgery is over worked and the roads cant cope now with traffic using the village as a cut through to West Byfleet, and since someone in Parliament mentioned cycling our roads through the village have become a weekend nightmare, driving is now a danger with only time before more are killed on these roads around Pyrford.

I will continue to rise against this Councils proposals to remove our green belt land, and I will personally petition and gather support to stop this Councils proposed plans.
