

Byfleet Green Belt

Dear Sir/Madam,

I am writing to formally note my vehement objection to Woking councils decision to release green belt land in Byfleet, West Byfleet and Pyrford. 98% of released land is here whilst Woking has been ignored! Byfleet will become congested beyond belief and Parvis Road and the main junction at West Byfleet are heaving at the best of times.

As a passionate environmentalist I'm devastated at these developments.

I've lived here my entire life, I voted for this council in the belief they would look out for local citizens, not ride roughshod over us.

Faithfully,

Hugh Pope
