

Site Allocations DPD consultation online questionnaire.

About This Form

This is the online form which you can use to give us your comments on the draft Site Allocations development plan document (DPD). The public consultation documents are available at [Woking2027 website](#).

The public consultation is open from **Thursday 18 June to Friday 31 July 2015**. Unfortunately we cannot accept responses received after 5pm on the closing date.

You can let us have your comments in a number of ways:

- 1. Use this online questionnaire – instructions are set out below.
- 2. Complete a downloadable / printable questionnaire and return this either by email to planning.policy@woking.gov.uk or by post to the Planning Policy team, Woking Borough Council, Civic Offices, Gloucester Square, Woking, Surrey, GU21 6YL.
- 3. Complete the comments form accompanying the online Site Allocations interactive map (see www.woking2027.info).
- 4. You can also register your comments with the Planning Policy Team at one of our public consultation events (see www.woking2027.info)

If you have any questions about completing this form please contact the Planning Policy team by email on planning.policy@woking.gov.uk or telephone on 01483 743871.

Mandatory Fields

This questionnaire will ask you for your views on the various consultation documents: the draft Site Allocations document, the Sustainability Appraisal and the Habitats Regulations Assessment. If you have no comments on any one of these, simply choose 'next' to move to the next page of the questionnaire.

You can also suggest a new potential development site or make a general comment (not specific to any one of the consultation documents).

Some fields are mandatory, so must be completed. They are marked with a red asterisk.

Please note we are unable to accept anonymous responses.

You must complete all the form in one session, no information will be saved. If a form is half completed and closed, you will need to start again.

Data Protection

Please be aware that representations received by the Council will be made publicly available.

The Council may also use this information within the Council to exercise functions of a public nature in the public interest.

Your views on the Site Allocations document

This section is for providing comments regarding the Draft Site Allocations DPD. Please provide as much detail as possible, for example the page or paragraph numbers to which your comment relates and explain any changes you consider should be made to the document.

This section can also be used to suggest a new potential development site to the Council (please state the full site address and contact details for the landowner(s) in your comments).

Would you like to Please give us your comment	Objecting I would make an overall general comment that I am very much against/opposed to development of the Green Belt which in my view should be protected at all costs. - there being plenty of brownfield sites to develop initially to support the growing population and consequent housing needs. The wide scale proposals for development in Mayford are concerning and I am very much against this - there being limited infrastructure to be able to handle such widespread expansion in such a limited area. I would specifically like to raise my objections to a couple of proposals namely SHLAAMSG013 for proposal to convert land known as a Silverly at Pyle Hill into a

residential development. This land has come up numerous times over the years going all the way to the DoE, but fortunately being saved as Green Belt and this protection should continue and I object strongly to any change in use of this specific piece of land. And I am aware of other residents of Pyle Hill/New Lane having the same viewpoint.

The second proposal that I would like to raise my objection to, namely SHLAAMSG010, is where the proposal is for 3 pitches for the traveller community on New Lane. This is not an appropriate use of this land, and again I object to this proposal.

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)
