Site GB15 Land surrounding West Hall West Byfleet
Objecting
There are far too many dwellings proposed for this site with nothing mentioned regarding expanding the local infrastructure. One school, already full, one health centre where you currently have to wait for a non-urgent appointment for 3+ weeks, one supermarket. The traffic light system at the West Byfleet end of Parvis Road is not pedestrian friendly now so will get even worse when the traffic flow increases.

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)
If you would like to comment on another part of the consultation document, please select the 'Add' button below'

If this proposal is to go ahead, the number of dwellings should be halved and consideration given to building a road at the River Wey side of the development.

Site GB16 Broadoaks West Byfleet
A combination of these
This site should either be used for offices or dwellings, not a mix of both
Despite objections, no doubt the West Hall development

Proposed modifications - Please explain what changes

you consider should be made (for example, to the text, to will go ahead so further housing should not be allowed on the site boundary) the Broadoaks development
