Subject: Housing proposals - Pyrford

I am registering my objections to building 400+ new houses in Pyrford.

The Green Belt must not be taken from us in this way for housing. We live in a lovely village which should not be eroded in this way. The roads in the Upshott Lane area cannot accommodate what would be such an increase in traffic. The doctors are at full stretch now, likewise the local school.

The whole atmosphere of Pyrford would be ruined, and take away from the residents the very reason why a lot of us moved here in the first place.
