**Subject:** 400 new houses in Pyrford - are you mad!

I am an active member of the Pyrford school community and none of us can believe you would be crazy/foolish enough to suggest adding more families to Pyrford is a good idea. The school is massively oversubscribed and those families that live in Pyrford often don't get places as it is!!! It will put a massive strain on the community – all the clubs and social gatherings are packed to the brim and on waiting lists for Beavers/Cubs etc for over 3 years!!

Pyrford is a lovely village but it is already massively overrun and you will ruin it forever if you do this – please no more houses we cant cope with it, the school, roads/shops/clubs can't cope with it – stop it now.
