

Site Allocations DPD consultation online questionnaire.

About This Form

This is the online form which you can use to give us your comments on the draft Site Allocations development plan document (DPD). The public consultation documents are available at [Woking2027 website](#).

The public consultation is open from **Thursday 18 June to Friday 31 July 2015**. Unfortunately we cannot accept responses received after 5pm on the closing date.

You can let us have your comments in a number of ways:

- 1. Use this online questionnaire – instructions are set out below.
- 2. Complete a downloadable / printable questionnaire and return this either by email to planning.policy@woking.gov.uk or by post to the Planning Policy team, Woking Borough Council, Civic Offices, Gloucester Square, Woking, Surrey, GU21 6YL.
- 3. Complete the comments form accompanying the online Site Allocations interactive map (see www.woking2027.info).
- 4. You can also register your comments with the Planning Policy Team at one of our public consultation events (see www.woking2027.info)

If you have any questions about completing this form please contact the Planning Policy team by email on planning.policy@woking.gov.uk or telephone on 01483 743871.

Mandatory Fields

This questionnaire will ask you for your views on the various consultation documents: the draft Site Allocations document, the Sustainability Appraisal and the Habitats Regulations Assessment. If you have no comments on any one of these, simply choose 'next' to move to the next page of the questionnaire.

You can also suggest a new potential development site or make a general comment (not specific to any one of the consultation documents).

Some fields are mandatory, so must be completed. They are marked with a red asterisk.

Please note we are unable to accept anonymous responses.

You must complete all the form in one session, no information will be saved. If a form is half completed and closed, you will need to start again.

Data Protection

Please be aware that representations received by the Council will be made publicly available.

The Council may also use this information within the Council to exercise functions of a public nature in the public interest.

Your views on the Site Allocations document

This section is for providing comments regarding the Draft Site Allocations DPD. Please provide as much detail as possible, for example the page or paragraph numbers to which your comment relates and explain any changes you consider should be made to the document.

This section can also be used to suggest a new potential development site to the Council (please state the full site address and contact details for the landowner(s) in your comments).

Please give us your comment	<p>1. The estate is a gridlock in the morning and afternoon in the current situation and increase number of people/resident will significantly increase the pressure in the estate.</p> <p>2- Going out of the estate is a significant issues during peak hours.</p> <p>3 - the overall road network in the estate is small and the roads are very narrow making already difficult to circulate during normal time and condition. People have to park on the side of the road which effectively enable just one lane/one way possible in the estate especially in Hawthorn Road. I can note that there is no plan to upgrade the road network/infrastructure in general.</p> <p>4- Moreover the number of buses is going to be reduced, increasing furthermore the traffic inside and in/out the estate.</p>

5. Local primary schools (Barnsbury and Westfield) and the new secondary school (Hoe Valley) are already fully subscribed. A new estate (Willow Reach) has been build few hundred meters from Barnsbury estate, but no new provision for school have been created. When this new estate will be occupied, this will already be an issue.

6. In the present situation, it is already difficult to have doctors appointments. A new estate (Willow Reach) has been build few hundred meters from Barnsbury estate, but no new provision for surgeries has been created. When this new estate will be occupied, this will be an issue.

7. The past few year an increasing number of antisocial behaviour have been observed in the area, increasing further more the population and reducing the children play area is not going to improve the quality of life of Barnsbury residents.

9. Back lands are sites were wildlife is developed and should be preserved making the area attractive.

10 - WBC should consider further developing the brownfield areas. There is no evidence apparently (independently verified) that this was done. WBC should further exhaust the possibility to further develop these brownfields.

- Woking Borough Council could improve the estate where it is run-down (like the shop area, the garages behind the shop and the garages nearby Barnsbury school). By demolishing and rebuilding these area (possibly with few more houses/flats). This could improve the appearance of the estate as well as the security/quality of life of the residents. But without over crowding the area!

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)

General comment or suggest a new site

This section is for general comment not covered by the previous pages.

Any other comments

WBC should organise community discussion prior to make any crucial decision about the community living. Also clear information should be distributed.

Making the consultation during the holiday period seems to have been on purposes for avoiding significant complains.

Thank you for taking the time to respond.

You have reached the end of this questionnaire. Please ensure that you have completed all the relevant fields.

If you wish to review all the information you have supplied click on the **Review** button.

If you wish to change some of the information you have entered click on the **Previous** button to get back to the relevant page.

If you wish to discard the information you have entered click on the **Cancel** button.

When you are happy with the information you have supplied click on the **Submit** button.

What will happen next?

When you click the submit button, the information you have provided will be submitted to the Council as a formal

response to the consultation. A copy will also be sent to the email address you have provided, for your records. Please note that responses will not be individually acknowledged.

After 5pm on 31 July 2015, all of the responses will be analysed. We will compile the results of the consultation and will update the Site Allocations document before asking for your views again. After that, the final Site Allocations document will be submitted to the Government for its consideration at an independent Examination.

The Council provides updates on the progress of this and other planning policy documents to those who have responded to a previous consultation and /or have expressed an interest to be kept informed. We also keep our local plan website [Woking2027](#) up to date with the latest information.
