

Green Belt Release in Byfleet & West Byfleet

[Redacted]

Sent: 24 July 2015 13:49

To: Planning Policy

To whom it may concern,

I have recently received a leaflet through my door about your plans for 'Site Allocations DPD', as a local resident and an employee in the area I am outraged that this is being considered.

I finish work at 5.30pm and as a Mother have a duty to collect my son by a certain time, as it stands now the traffic is usually gridlocked due to the close proximity of the M25 and A3. If the proposal of 150 houses and 900 pupil Private School is granted on Parvis Road the area will be completely unusable therefore pushing further traffic to the already busy alternative routes around the area.

I speak on behalf of a lot of local employees that this is not acceptable.

Please consider this point before you accept this application.

Kind Regards

Hollie Render
