Dear Sirs

Regarding Woking 2027 DPD consultation

As a resident of Mayford for the last 15 years I wish to make the following comments with regard to the sites listed:-

- GB7 (Ten Acre Farm, Smarts Heath Road)
- GB8 (Nursery Land adjacent to Egley Road)
- GB9 (Woking Garden Centre)
- GB10 (Land to the north east of Saunders Lane, between Saunders Lane and Hook Hill Lane)
- GB11 (Land to the north west of Saunders Lane)

I object to the development on each of these sites.

All compromise the very nature of Green Belt - to maintain that aspect of separation and openness between urban sites.

It is all too easy to build on open field areas much harder to make the decision not to – thereby retaining the character and identity of separate areas.

The impact on the infrastructure has not been considered.

Please also refer to the response by the Mayford Village Society who I am happy to also represent my views.

Yours faithfully
