This section can also be used to suggest a new potential development site to the Council (please state the full site address and contact details for the landowner(s) in your comments).

Please give us your comment	My comments are really representative of any major developments in and around Byfleet, a small village that sits between larger towns , many of which have much more space for redevelopment. We have to face facts that as a growing population, we need to accommodate families, but that extends to the entire infrastructure not just putting a roof over someone's head. Where are the new Doctors surgeries going to be? I already have to travel to Hampton to see a Doctor having witnessed my partner being asked to wait 5 weeks before he could be seen at a West Byfleet practice-although we deviate slightly into healthcare, these are all subsidiaries of any major housing development and MUST be factored in. Why should the lives of those already in the area be so negatively impacted. I ask any of those involved in the proposed plans to simply sit on the Byfleet/Parvis Road in rush hour and tell me that its a good idea to add more congestion to this area. Its hard to leave Green Lane close at times.

Again, more people = demand on local authorities, and we cannot ignore the fact that we need to change, but Byfleet has limited green belt areas, quite simply we shouldn't lose it.

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)
