Dear Sirs,

Upshot Development Pyrford - Declassification OF Green Belt Status

Having lived in Pyrford for over sixty years and having enjoyed the semi rural environment around the village boundaries including the unspoilt views from the raised land around Pryford Court. The proposal to build over 400 house on the outskirts of Pyrford along Upshot Lane will destroy such pleasures for myself and future generations.

The green belt around Pyrford needs to be preserved and be free from ill considered large residential developments of that currently proposed for Upshot Lane. All such proposals erode our green spaces and these must be resisted in order to comply with the current green belt restricts.

I therefore, wish to register my objection to the residential development in Upshot Lane and require the green belt classification be retained in accordance with the principles in which it was first established.

Yours Faithfully
