Subject: 423 Dwellings in Pyrford from 2027

Dear Jeni Jackson.

I am objecting to the proposed dwellings to be built in Pyrford in 2027

With 400 plus houses that means there will be between 400 and 800 cars on the road extra to the overcrowded roads as they are.

Even with the new proposal of improved school at Pyrford primary which is running at full capacity now where are the new children going to be educated

The recently built health centre in West Byfleet is currently full therefore it would fail to cope with the new development

The two fields required for the development should be left as green belt fields

Regards

C.D.R.Sherlock.
