Subject: 400+ new houses in pyrford

I am writing to register my objections to the above proposal.
I have lived in this area for 30 years and in this time, the traffic congestion has escalated to the extent now that I can barely get out of my road in the morning! The schools, health centres, hospitals, shops already can't cope, so expansion on the scale proposed would be catastrophic to the environment and infra structure.
Please see sense!!
