Subject: Objection to 400+ houses in Pymfords

Dear Ms Jackson,

I object to the proposed increased housing in Pymfords.

The village is already very busy. It often takes a long time just to pull onto the Old Woking road because it's so busy, and it frequently gets dangerous because in order to pull out one has to "go half way". Another 400+ families will make the roads VERY congested.

The schools won't be able to cope, or the hospitals, or the other services.

This is a very very impractical and frankly bad proposal.

Yours sincerely,

Tom Simonis,
