Dear Head of Planning,

I am writing to make you aware of my personal objections to the plan for the destruction of Green Belt land in Pyrford. I have previously protested vigorously in writing to the councillors.

I strongly object to any encroachment on Green Belt land.

There are numerous and extensive Brownfield areas readily available, all soon to be joined by the increasingly redundant High Street and Town Centre properties currently used for shops and associated offices, brought about by the rapid shift to internet trading. Soon there will be nothing but coffee and charity shops in our Town Centres.

The re-assignment of Green Belt land should never be considered an option.

I look forward to receiving your acknowledgement, and trust that sense will prevail.

Yours sincerely,

Alan Somers
