I have been a resident of Mayford for 41 years and am aware of the Woking 2027 planning proposals which will impact Mayford.

1. Site ref GB7 (Ten Acre Farm, Smarts Heath Road)

I strongly object to the proposal to increase the number of Travellers pitches on this land.

2. Site ref GB8 (Major development of Secondary School, Commercial Leisure Centre and Running Track on Nursery land adjacent to Egley Road)

I strongly object to the proposal to build a joint application of Secondary Schhol, Commercial Leisure Centre and Running Track.

3. Site ref GB8 (Nursery land adjacent to Egley Road)

4. Site ref GB9 (Woking Garden Centre Egley Road)

5. Site ref GB10 (Land to the NorthEast of Saunders Lane between Saunders Land and Hook Hill Lane

6. Site ref GB11 (Land to the North West of Saunders Lane)

I strongly object to the proposal for housing on all the above site.
