Dear Sirs

Being a resident of Byfleet Village I strongly object to the Greenbelt Land being released for future building of houses.

I am appalled that during the Public meeting held on the 16th July where Mr Amoako attended he was asked if the Byfleet Greenbelt petition was acknowledged against these proposals. His answer was, if you want them included you can.

This proves that Woking Borough Council is taking no notice of residents and their thoughts and concerns.

The Council is not taking into account the lack of health facilities not only in Byfleet but for all the surrounding Villages on this side of the Borough.

Also the areas you want to allocate, many have been flooded badly and the talk of underground tanks etc will only push the flooding to other areas.

The roads can't take anymore traffic, they are already bursting.

To me it looks like a case of push it all to the edge of the Borough so we can forget them.

yours sincerely

Susan Stennett
