Subject: proposed development of Upshot Lane, Pyrford

Good morning Ms Jackson

I would like to strongly express my objection to the release of land either side of Upshot Lane, Pyrford for the development of extra housing. As it is at present the roads surrounding that site are narrow and subsequently busy with workers and school children at peak times especially near the church and on the road to Ripley. Ripley itself will certainly feel the impact of extra traffic that this amount of extra housing will bring with people trying to get onto the A3 and M25.

RHS Wisley will also suffer from the fumes and noise all this extra traffic will bring. Have they been considered or approached for their opinion?

Please reconsider this site as appropriate.

Sincerely

Mrs Maureen Swains
