Objecting
I am concerned about the development of 1,400 houses and the impact this will have on the local community regarding traffic, availability of doctors and school places. Parvis Road is already gridlocked during rush hour and the impact of 1,400 houses along the route will make this area considerably worse. All local schools have already expanded and are full to capacity, I do not see how a 900 pupil private school will help this situation, as many people cannot afford to or wish to send their children to a private school. The doctors practices based in West Byfleet Medical Centre are also very full and it is often difficult to obtain an appointment, the increase of 1,400 people will make this situation worse. The transport network is not very regular and I have heard that Arriva buses are actually decreasing some of their services, which will increase the amount of traffic on the roads and make it even harder for elderly people in the Byfleet area to reach the doctors.
