This section is for providing comments regarding the Draft Site Allocations DPD. Please provide as much detail as possible, for example the page or paragraph numbers to which your comment relates and explain any changes you consider should be made to the document.

Please give us your comment	As a resident I feel that any further growth would be detrimental to the area. There is no need to use green belt land when there must be brown belt land available. The traffic is already bad in the area and this would only add to it. And the health infrastructure is already stretched, in the time I have been in Byfleet the time to get a doctors appointment has gone from waiting a day to a week ..or even more in some cases.

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)
