Subject: Objection to DPB either side of Upshot lane

Dear Ms Jackson

Name

Nicole Wakeling

9 Longs Close

Pyrford

I am writing to express my sadness and strong objections for the proposed development and destruction of green belt land either side of Upshot Lane in Pyrford.

My reasons

1. Destroying green belt land with this massive development would ruin the character of village, cut off access and views to the countryside. The village nature of Pyrford and proximity to the countryside is the reason we moved to Pyrford.
2. You propose to destroy and develop the green belt land immediately next to a conservation area. How can this be justified?
3. I question in whose interest the council are proposing these sites for development? This is not in the interest of the residents of the village. And I question how Woking Borough Council arrived at a decision to develop these sites after an independent body deemed the site unsuitable for development.
4. The infrastructure could not support this development. The road particularly around the school during commuting and school pick up and drop off is already dangerously congested.

Please do not destroy our countryside.
