Dear Sir/Madam

Please find attached representations prepared and submitted on behalf of Retirement Villages Developments Ltd. These representations cover the main DPD, the Sustainability Appraisal, Habitat Regulations Assessment and a specific site.

I have completed the relevant consultation questionnaires and the detailed representations themselves are set out in the accompanying report. I have attached these as two separate files to the email. The report provides the commentary on each element of the DPD (and the accompany SA and HRA) as outlined in the questionnaires.
