Please give us your comment	Building on green belt land in Byfleet after the floods two years ago would in my opinion be a huge mistake.Byfleet is surrounded by rivers,more houses would increase the problem of flooding.Also the traffic problem is chaos on the Byfleet road in the rush hour more houses mean more cars on the road.But the main objection is taking the green belt land from around Byfleet and West Byfleet.And spoiling the beautiful place that people live in and love.I say no to building on green belt land leave our countryside as it is don't destroy it with a load of new homes when there is plenty of other places to be found leave the green belt land alone.
